

KAI AND THE BIG CLASSROOM MURAL

A Character Champions Story—
Teamwork Makes Art Amazing!

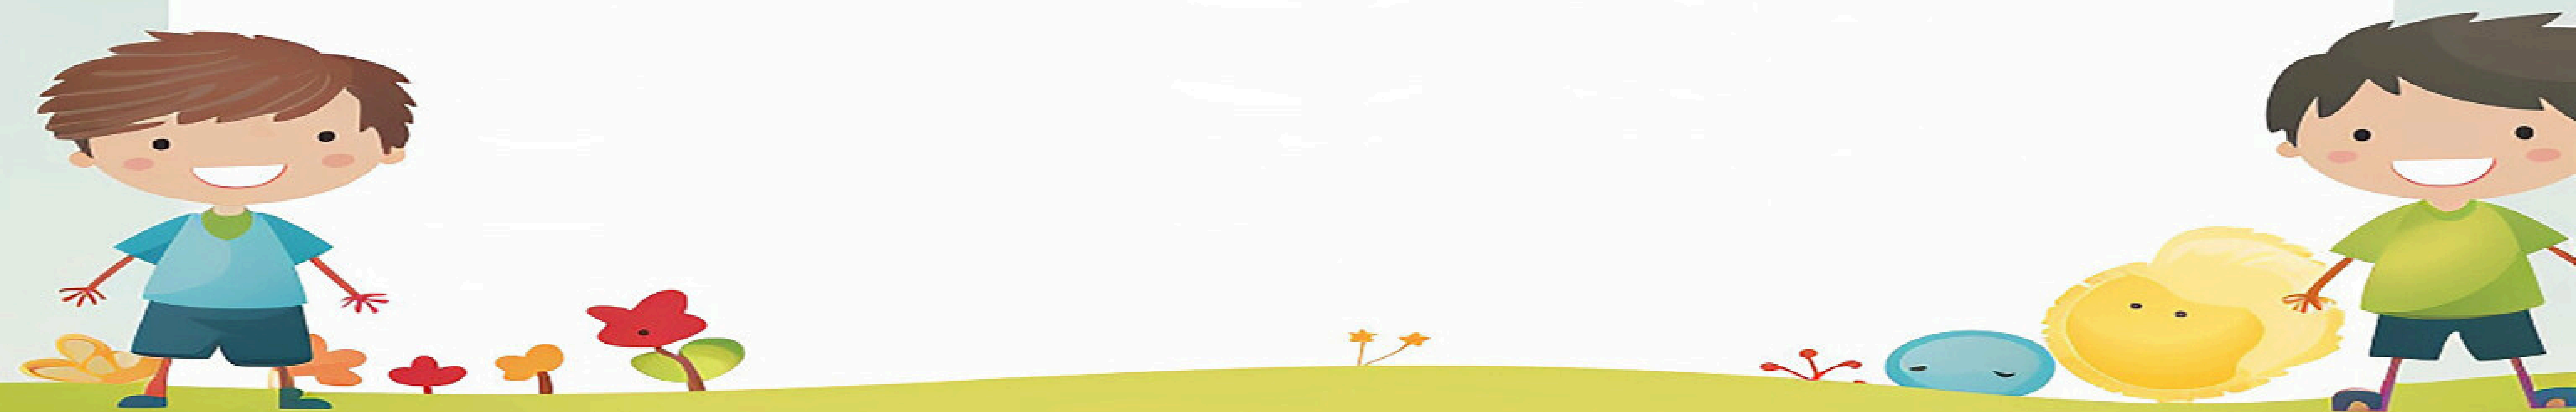

Dr. Diana Chavez Ketterman

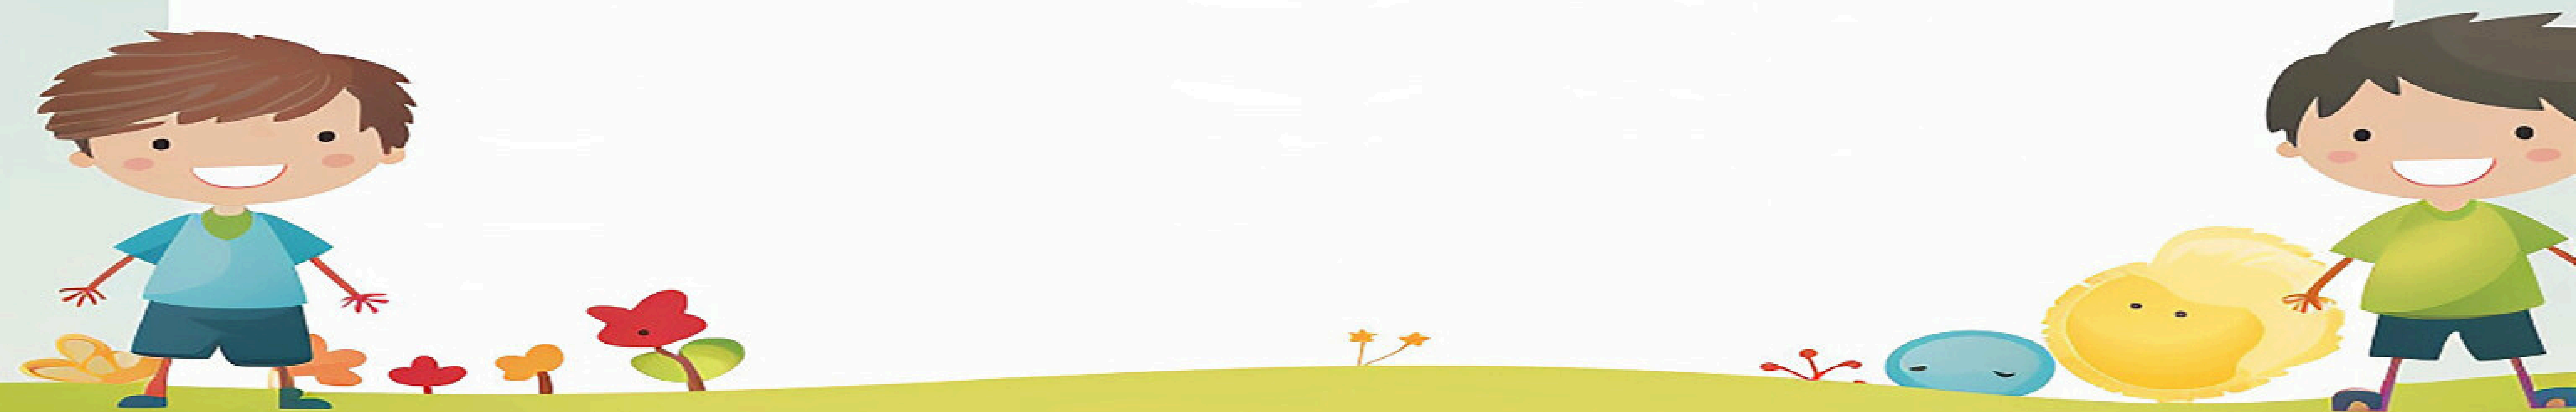

Kai rolled into the art room and gasped. “Wow!
We’re painting a whole mural?”

The teacher said, “Yes! But we need everyone’s help!” Kai grinned. “Teamwork time!”

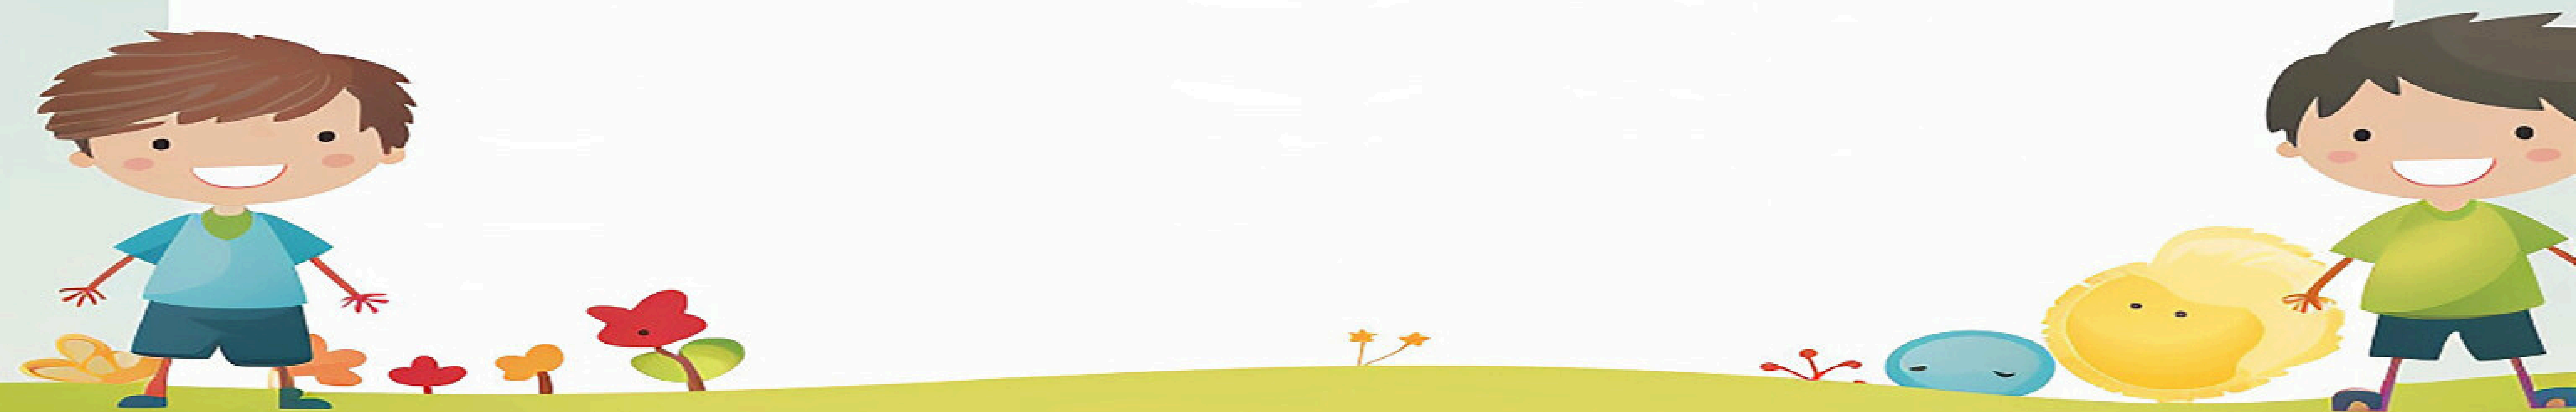

Synergy

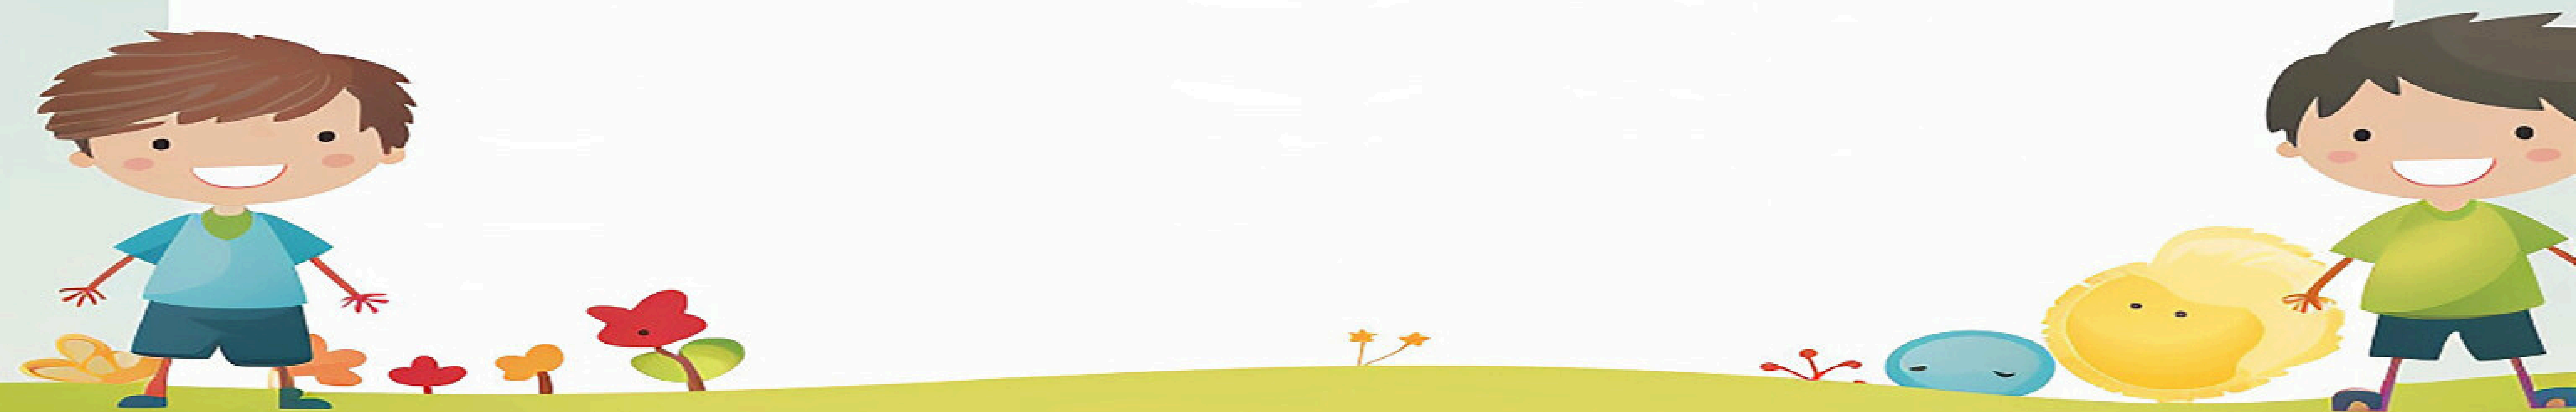

MetaHawk chirped, “Synergy means everyone
adds their own special touch!”

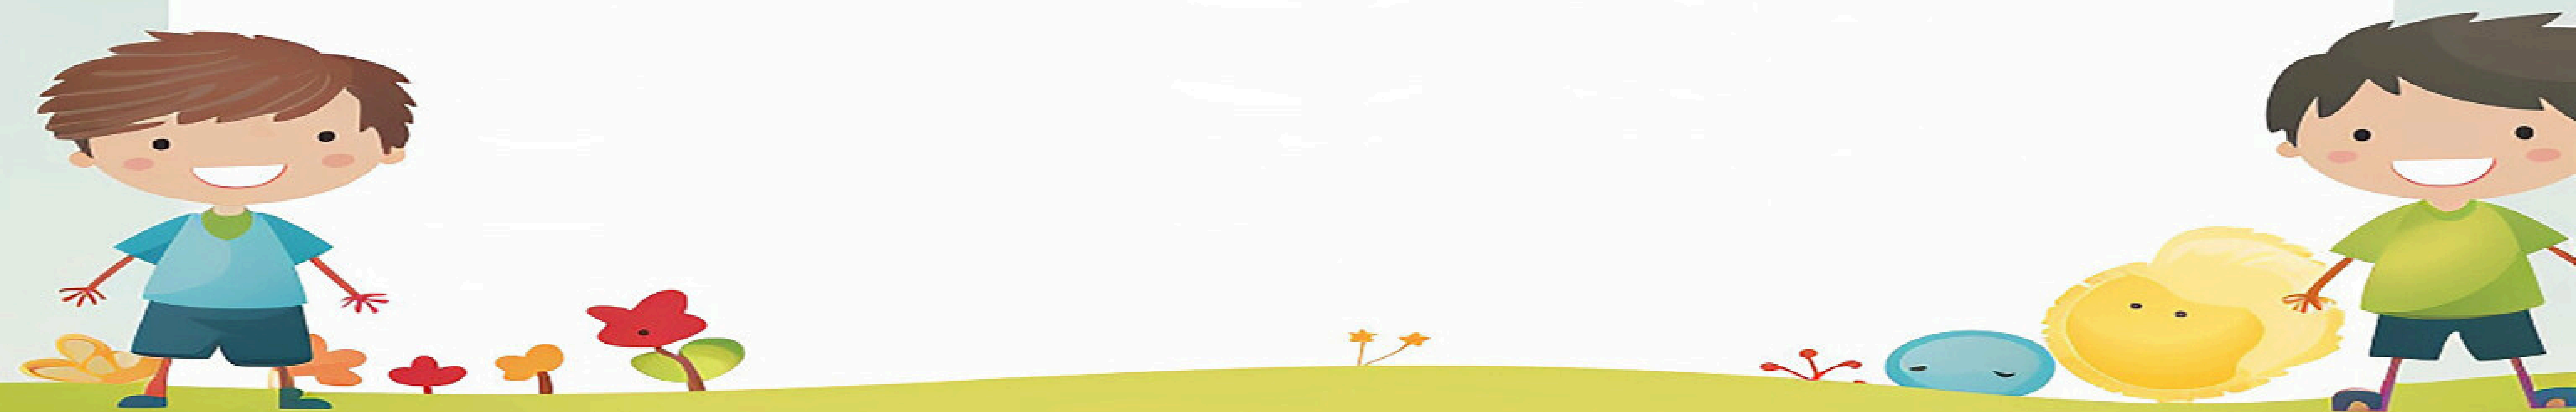

Kai said, “I can outline the flowers!” One boy
nodded. “I’ll paint the clouds!”

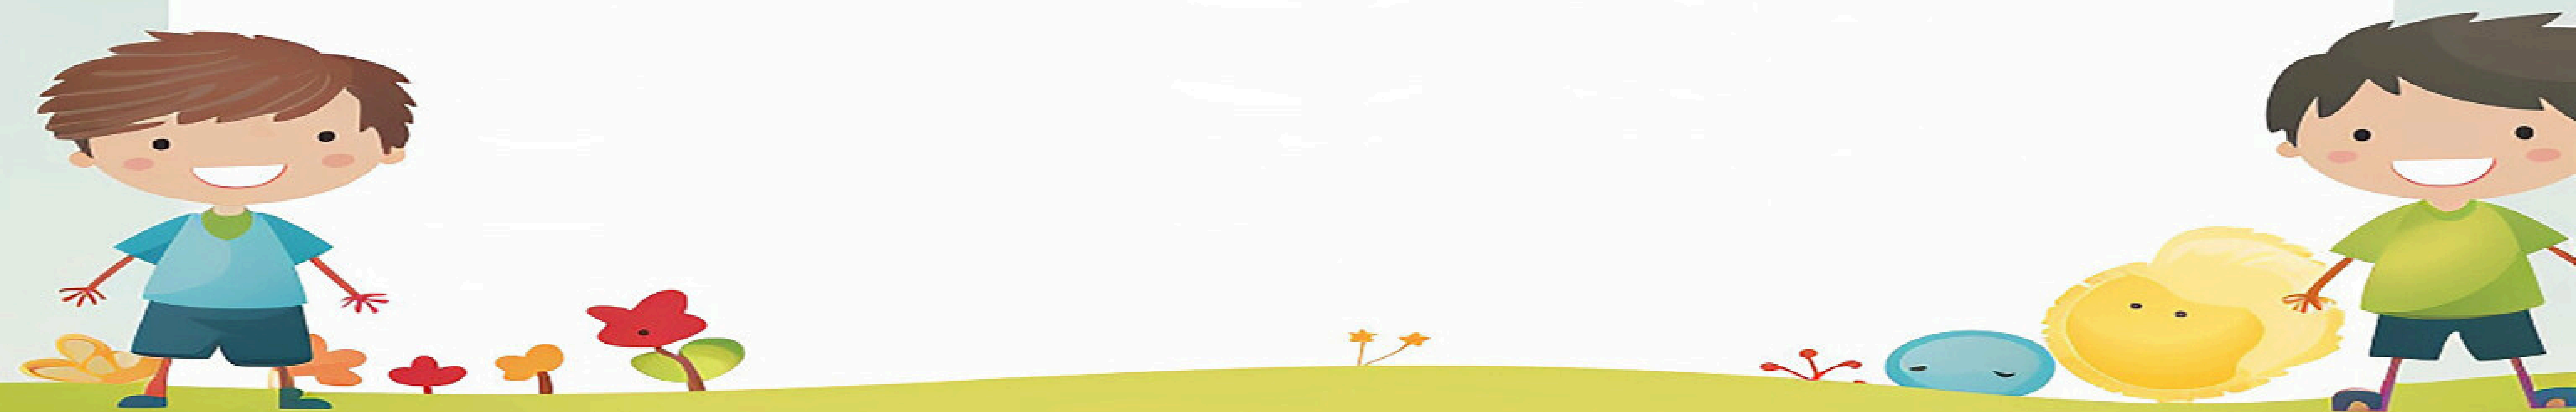

A girl whispered, “I’m not good at painting..” Kai smiled. “You can add stickers or glitter!”

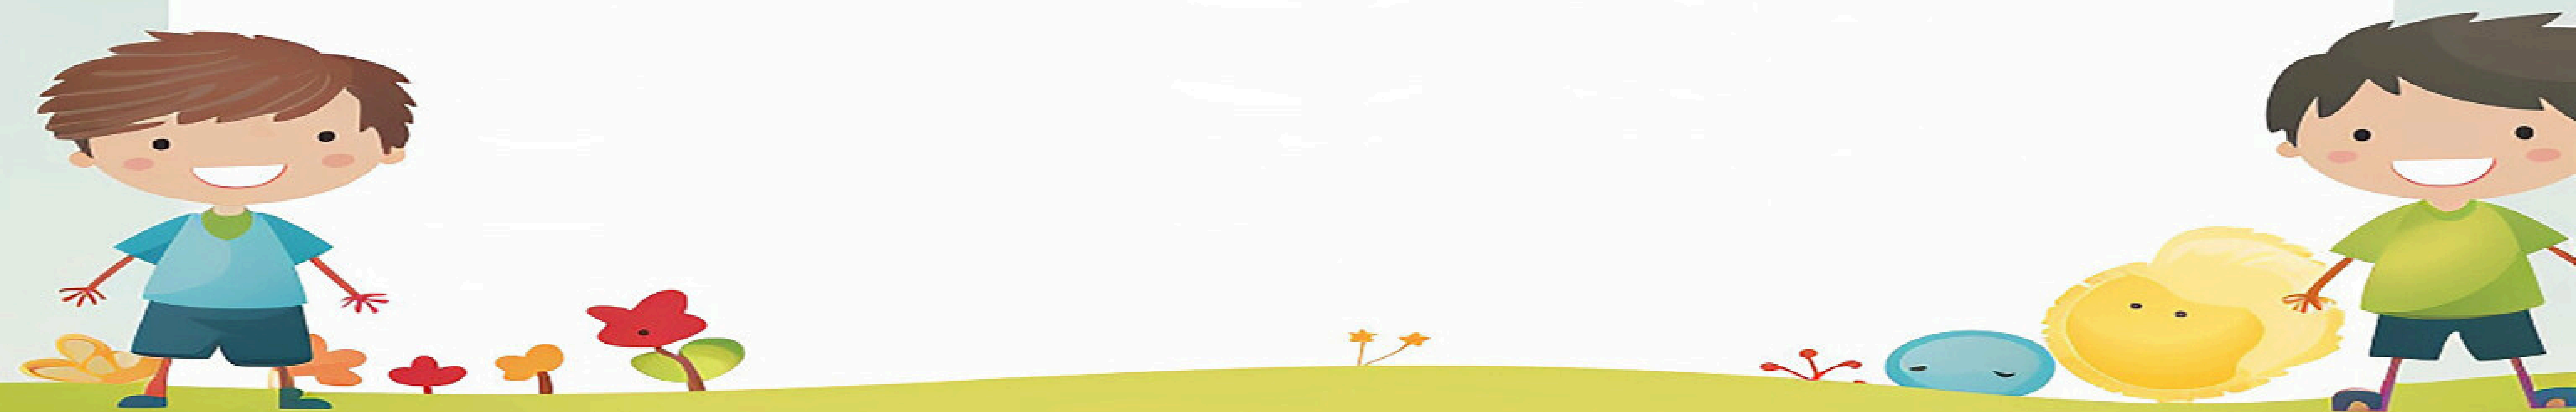

Kai rolled to the wall. “Okay team, let’s get started!”

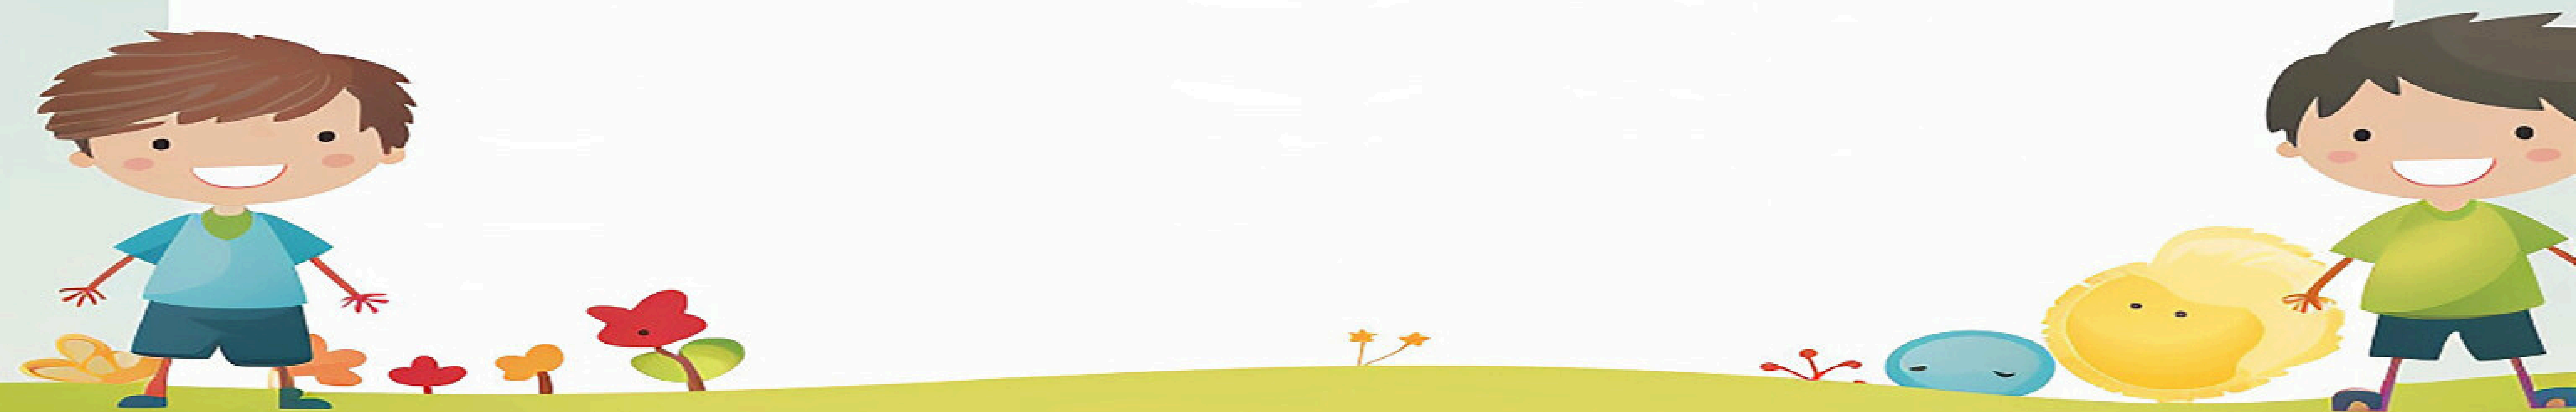

Kai drew big flower outlines. “Your turn!” she said.

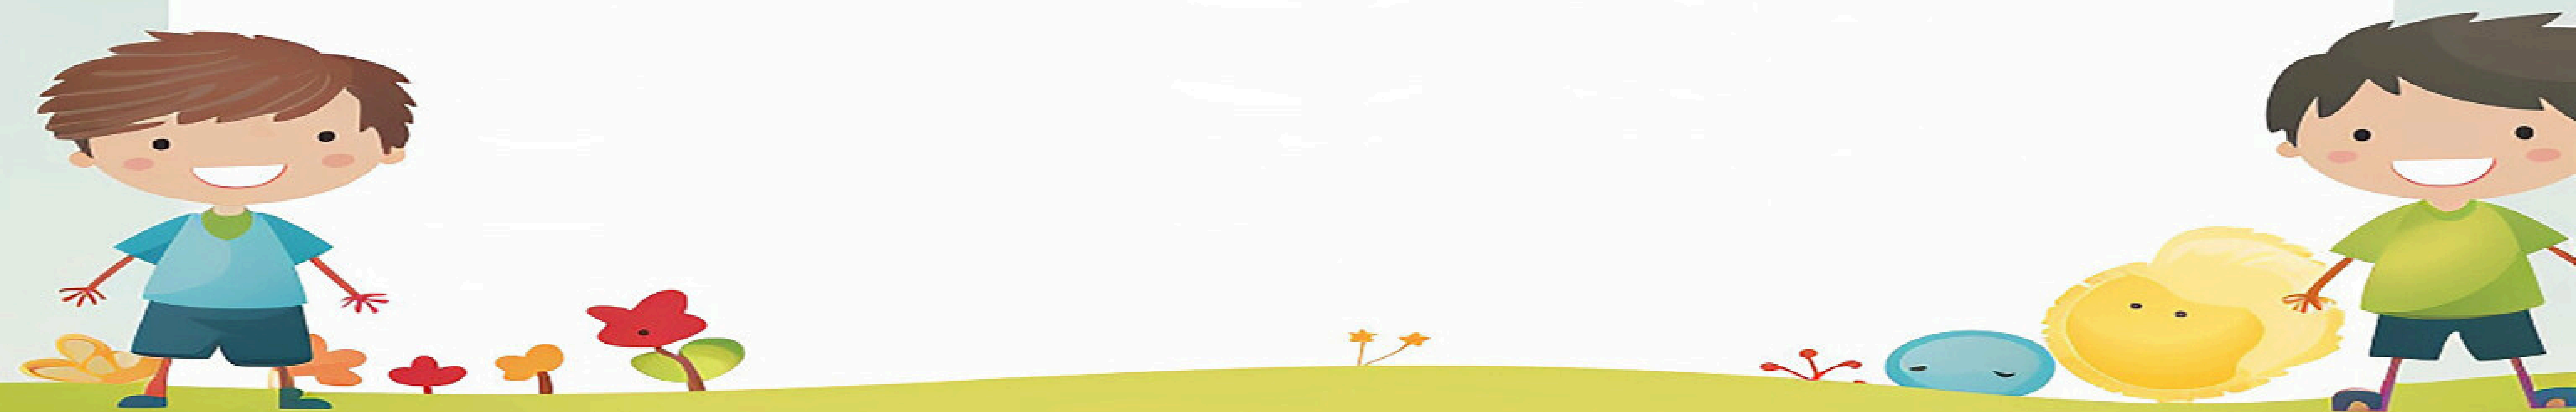

One friend painted the petals bright red. Another added blue swirls.

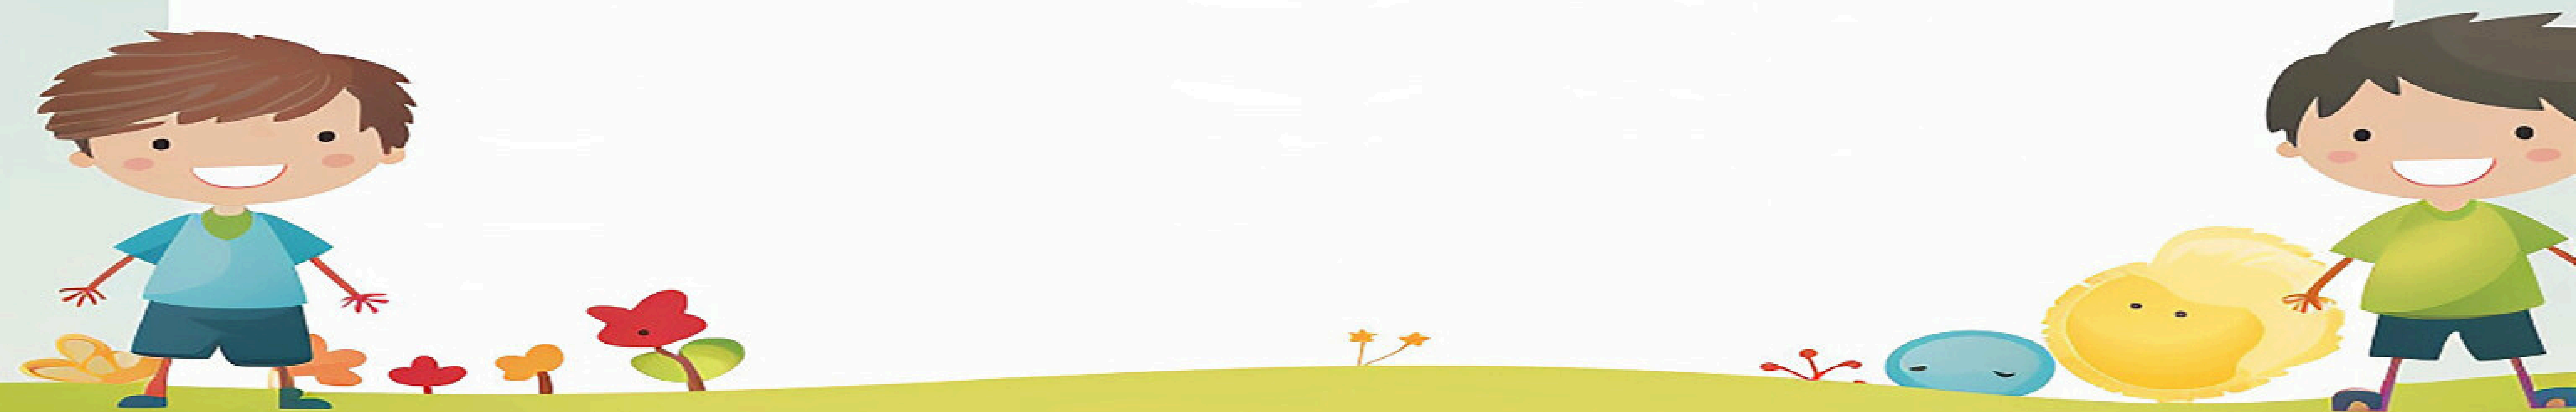

Kai dipped her brush into yellow. “I’ll make the
sun shine!”

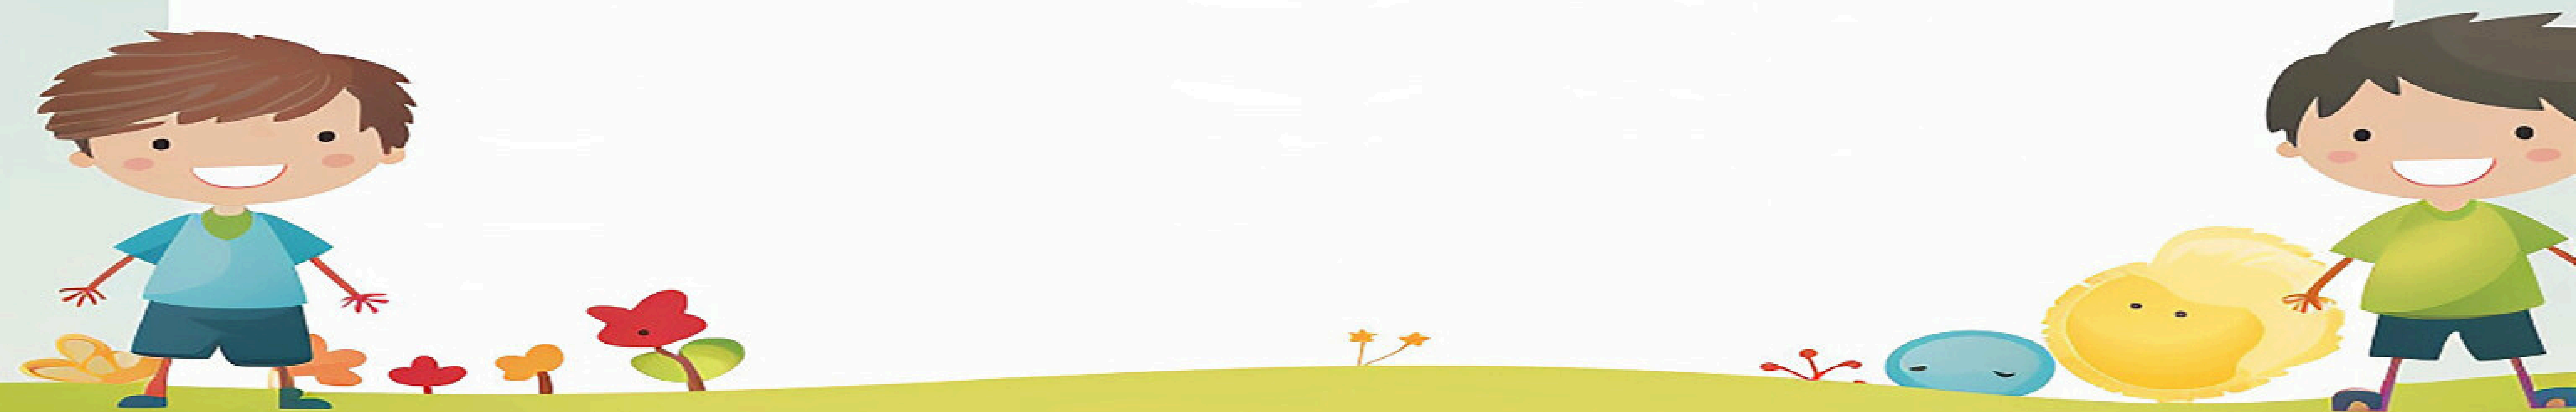

The shy girl sprinkled glitter stars on the sky.
“Pretty!” Kai cheered.

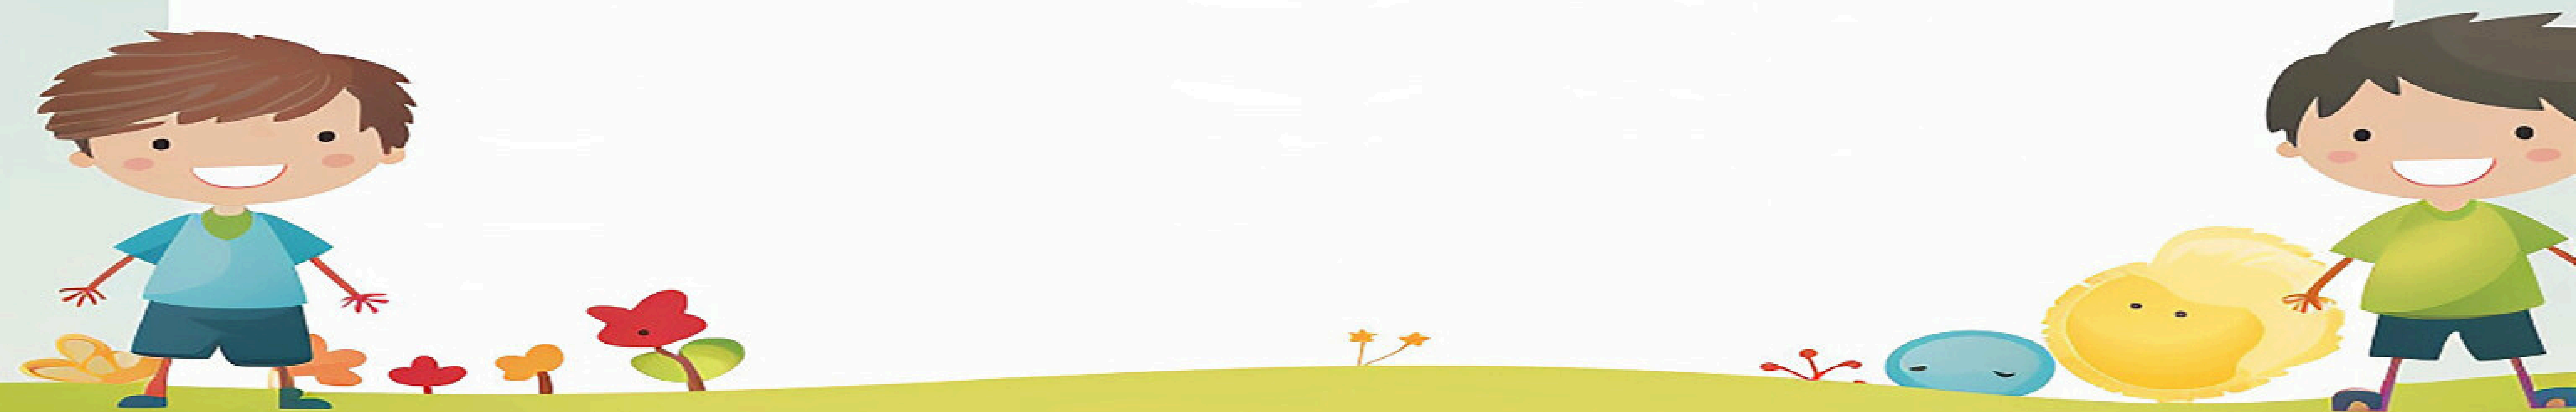

Suddenly—SPLAT! A paintbrush slipped. “Oh no!” a boy cried.

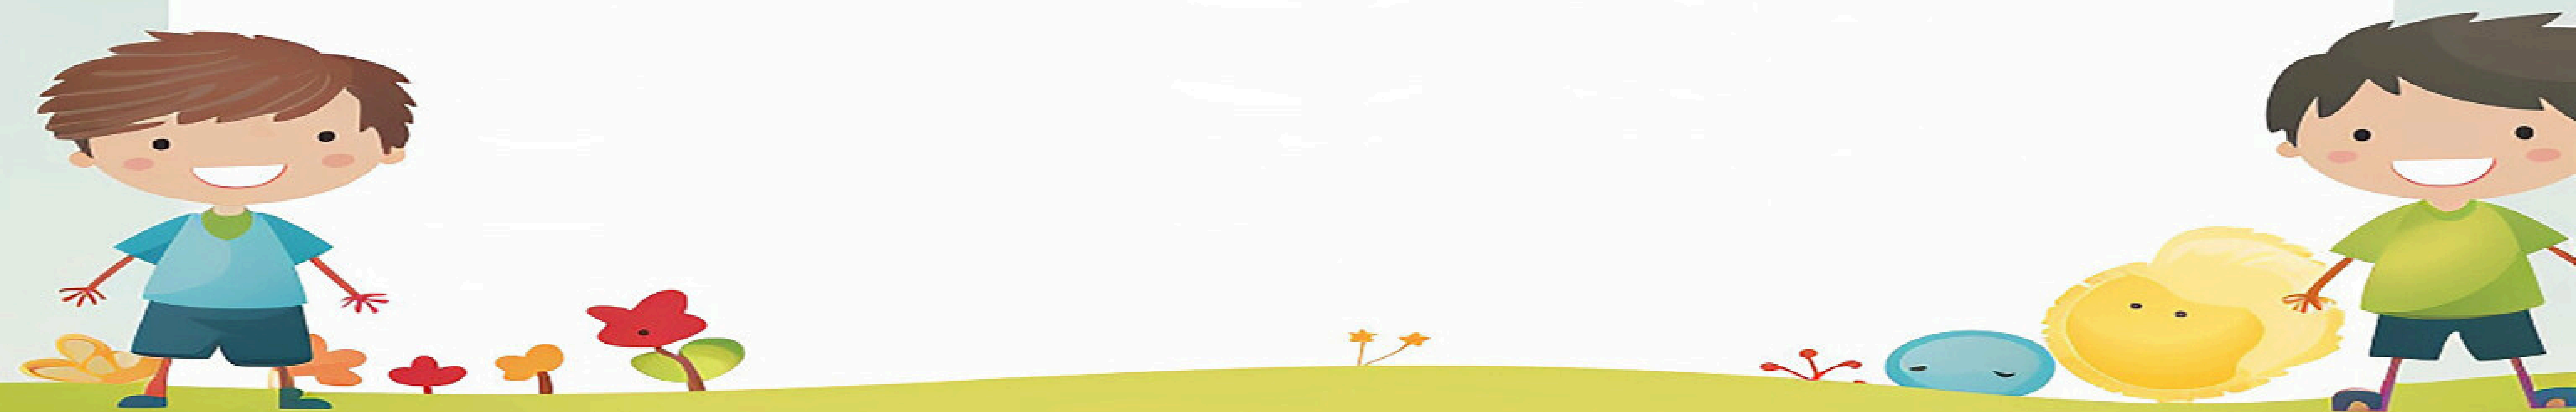

Kai smiled. “Mistakes can turn into art!”

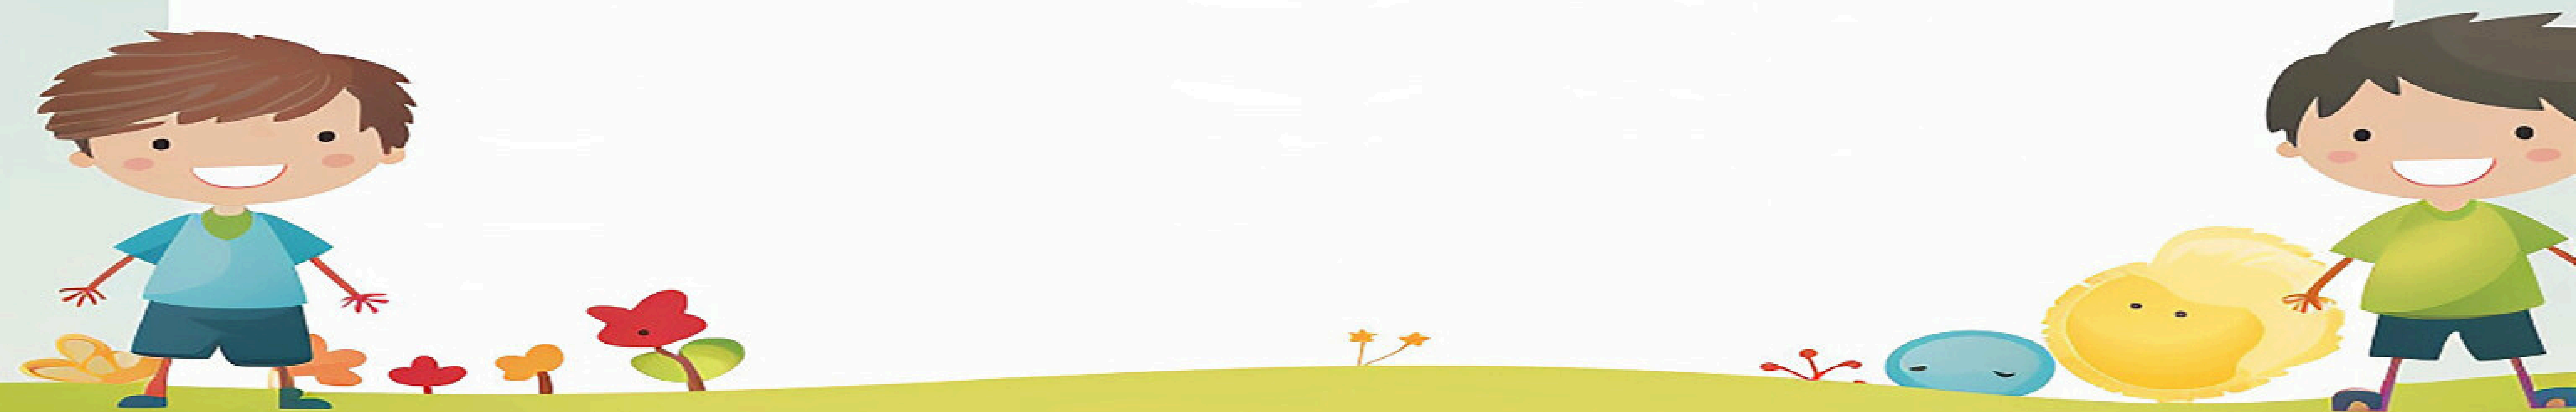

The kids added more splats, making them into funny trees.

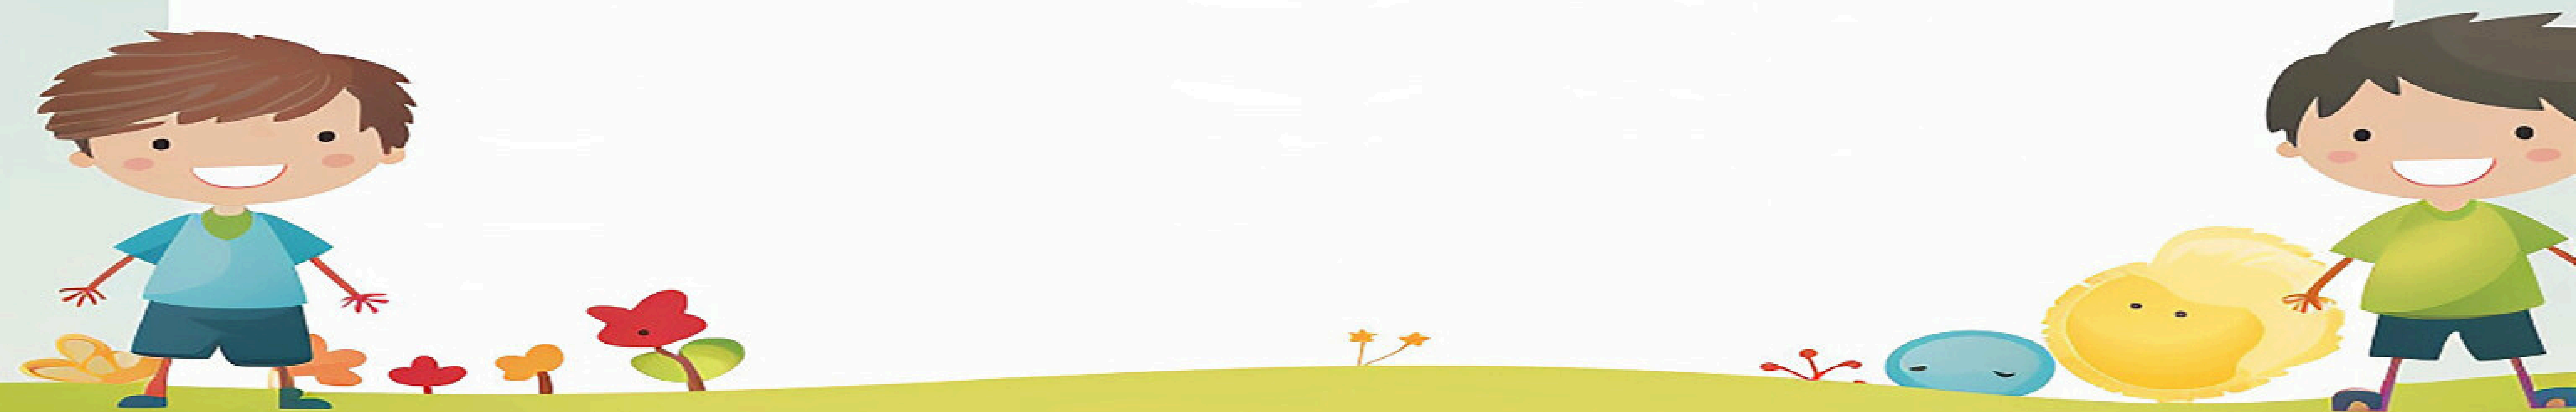

MetaHawk chirped, “That’s synergy—turning mistakes into something amazing!”

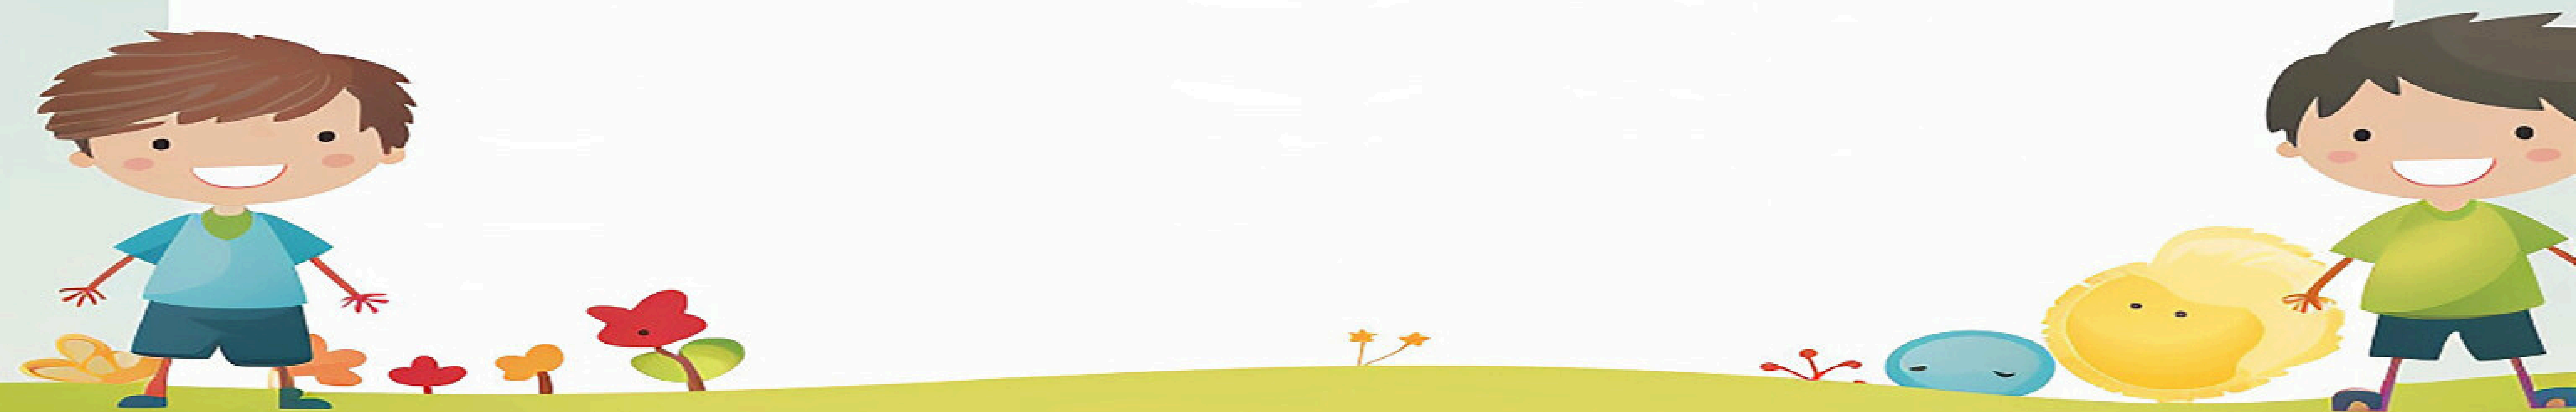

The mural was almost done. “Just one more thing,” Kai whispered.

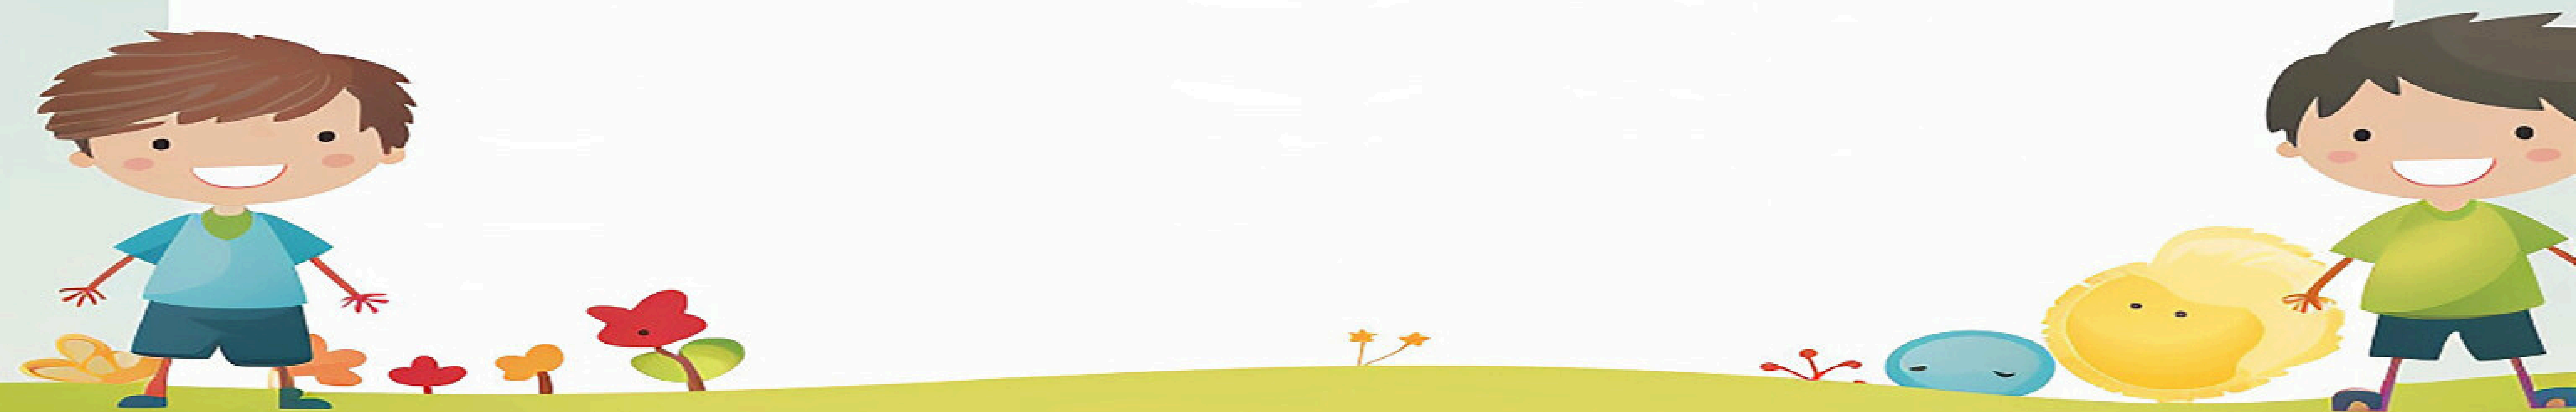

Kai painted a big rainbow across the wall. The kids
clapped.

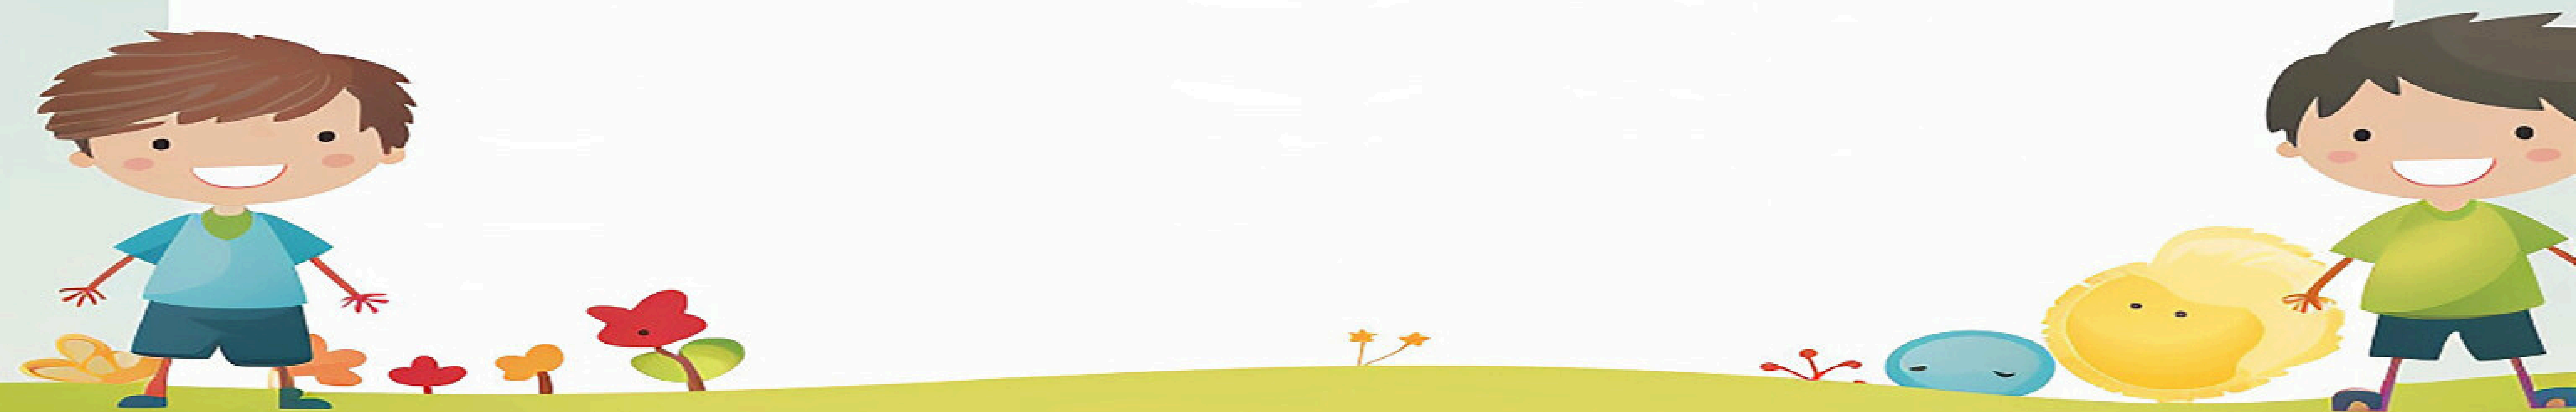

MetaHawk chirped, “Look what you built together!” Kai smiled proudly.

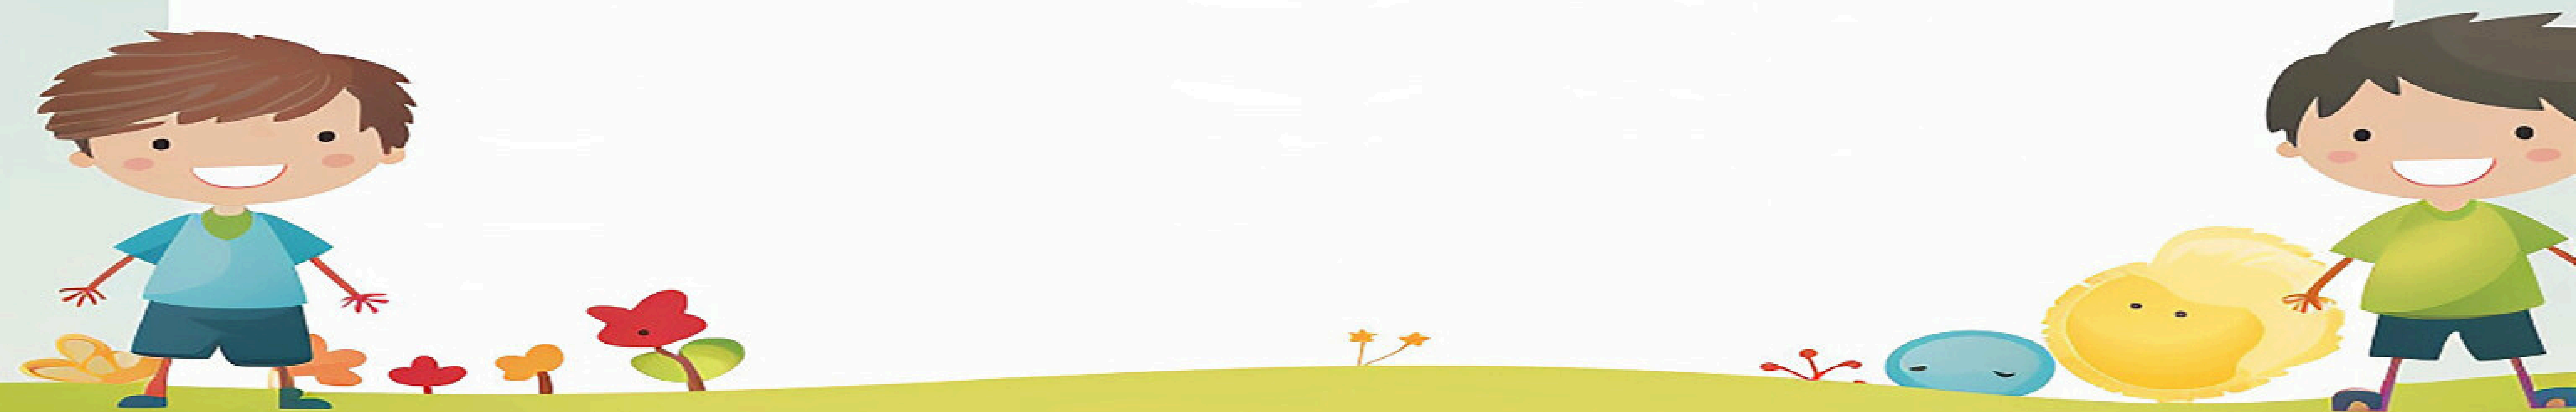

Kai said, “Everyone’s ideas made it beautiful!”

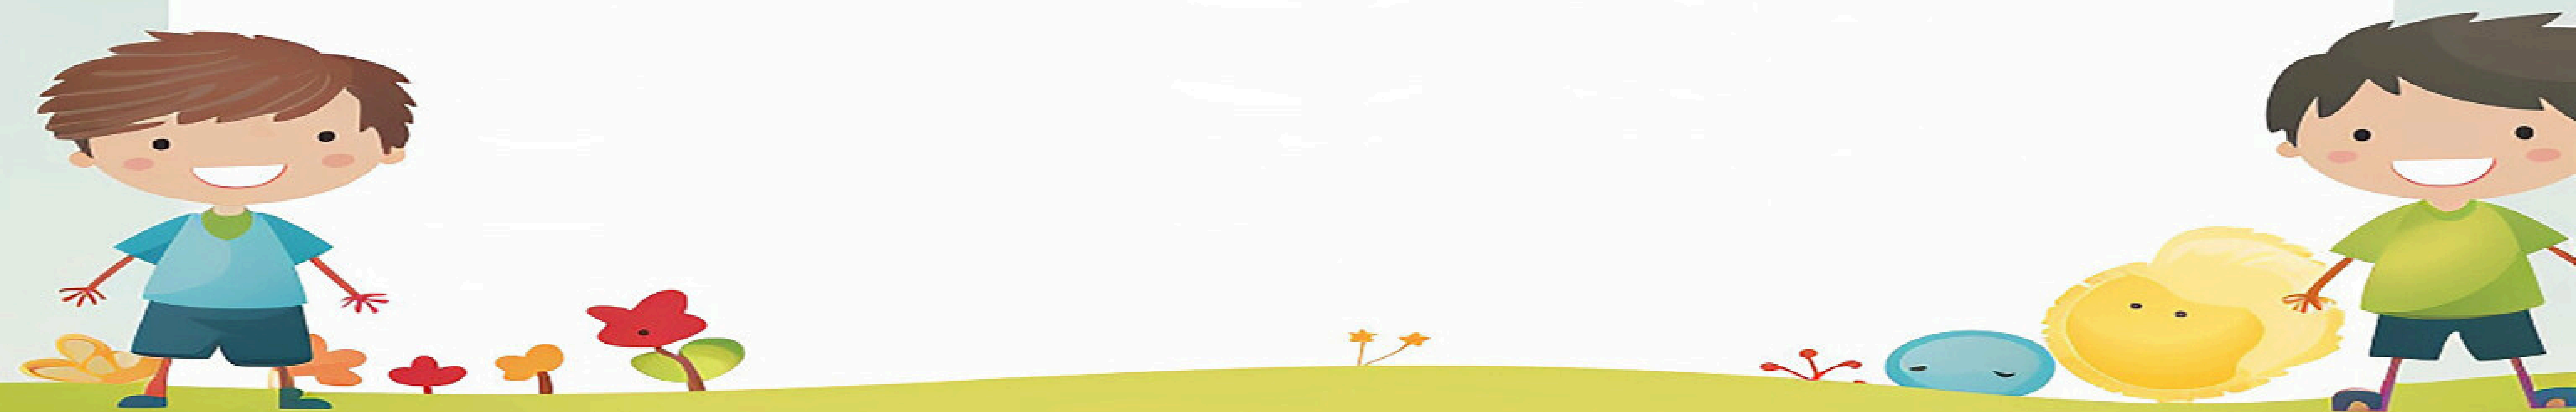

The kids gave Kai high fives. “Teamwork is fun!”
she laughed.

MetaHawk chirped, “Together, we shine brighter!”
Kai cheered, “Hooray for teamwork!”
